

PROFESSION OF FAITH

Keihan TAVAKOLI

Officially

In real life

- Laboratory: SOLEIL Synchrotron (France)
- Specialty: Mechanics / Cryogenics
- Actual Position: Mechanical Engineering Group head

- Member of MEDSI IOC since 2014, MEDSI is a member of JACoW collaboration since 2015
- MEDSI 2018 LOC chair (Paris, 350 participants)
- Feedback to JACoW TM 2018 about organization issues from a conference chair point of view:

<https://www.jacow.org/JTM2018/JACoWExpMEDSIChairPointofView>

- My experience as a JACoW middle-size conference organizer with restricted budget,
- Pragmatic (natural for an engineer!)
- Always open to discussion and compromise
- A new point of view from the other side of the curtain.
