

International Linear Accelerator Conference 2022

28 August – 2 September 2022

The Arena and Convention Centre Liverpool
(ACC Liverpool)

LINAC2022.ORG

LINAC is the main biennial gathering for the global community of linear accelerator specialists. In 2022, LINAC will come to England - the birthplace of accelerator science.

The conference provides a unique opportunity to hear about the latest R&D results concerning hadron and lepton linacs, and their applications. It features invited and contributed talks, as well as poster sessions and an industry exhibition. The scientific programme will be complemented by social events that promote informal knowledge exchange.
