

Thakonwat Chanwattana, DPhil

(AKA: Pop, Tha'ki)

Accelerator Physicist, Accelerator Department

Acting Chief of User Service Division,

Business Development and Strategic Department

Synchrotron Light Research Institute (SLRI), Thailand

Background:

- Bachelor of Science (BSc) in Physics, Mahidol University, Thailand
- Doctor of Philosophy (DPhil) in Accelerator Physics, John Adams Institute for Accelerator Science (JAI), University of Oxford, UK

Current works:

- Beam Dynamics and Beam Instrumentation Division at SLRI, mainly focus on Linac improvement and optimization
- Key members of Siam Photon Source II (SPS-II) design team on Linac and Transfer Lines
- User Service Division at SLRI, coordinate and strengthen networks with users from universities and public sector

Previous Involvement

IPAC'19 Trainee Editor

JACoW Team Meeting 2019

IPAC'22 Editor-in-Chief and LOC team

- JACoW Team Meeting 2021
- JACoW Fake Indico Conference (JFIC)

Desire to serve on the JACoW board of directors

- Contribute to JACoW and the accelerator community
- Strengthen the JACoW Collaboration between stakeholders to reach out and get response for improvement
- Support JACoW tools to improve editing process and educate authors
