2001

I joined JACoW after visiting John and Chris in preparations to DIPAC'03 and LINAC'04

2001-today

Being informed about the problems in the existing paper wrapper (speed) I started to write scripts using XML, Perl and LaTeX to do the jobs of the wrapper and producing web site

2007-2013

I became JACoW's second Chairman in March 2007 and served until December 2013.

2013-2019

After my role as chairman I was elected as member of the JACoW Board of Directors and served until December 2019

2022

I was nominated for the JACoW Board of Directors and I'm willing to help shaping JACoW's future in times of big changes.
